

FlexCodes®: convenient, secure access, anywhere you need it

**Say goodbye to interruptions.
FlexCodes make property access
simple and safe for everyone.**

Tired of getting calls when you're off the clock, because someone can't access the lockbox? FlexCodes eliminate the need to drop everything and drive to the property, giving you peace of mind.

A smarter solution

- ▶ Generate unique, time-limited access codes for clients, contractors or agents
- ▶ Codes work without a cellular signal
- ▶ Set durations from 30 minutes to 31 days
- ▶ Track access in real time through the SentiKey® Real Estate app
- ▶ Manage up to 16 overlapping codes, perfect for busy properties
