

How to use your SentiGuard® lockbox

The industry's most secure and reliable electronic lockbox system

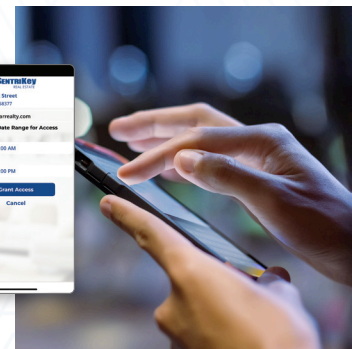

Opening a keybin

1. Launch SentiKey® Real Estate app
2. Press ENT on lockbox keypad
3. Enter your PIN or biometrics
4. Keybin will drop down from bottom of the lockbox

Releasing the shackle

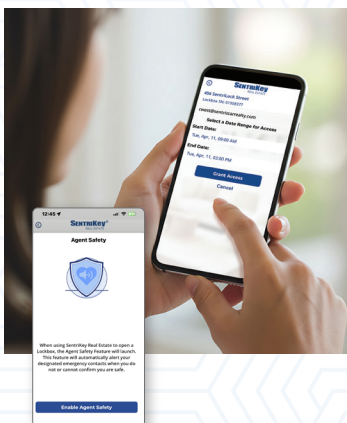

1. Launch SentiKey Real Estate app
2. Select "Release Shackle" tile
3. Press ENT on lockbox keypad
4. Enter your PIN or biometrics
5. Select "OK" to Warning Message
6. Shackle is released

Granting access with SentiConnect®

1. Launch SentiKey Real Estate app
2. Select "Menu" in upper-left corner
3. Select "My Lockboxes"
4. Select "Grant Access"
5. Select the lockbox/property you want to grant access
6. Input the user's email
7. Select "Start Date" and "End Date"
8. Select "Grant Access"
9. Enter your PIN or biometrics
10. Access is granted

Note: If the provided email recipient has not yet downloaded and registered for SentiConnect, you will be prompted to "Send Invite".

Using Agent Safety

1. Launch SentiKey Real Estate app
2. Select "Menu" in upper-left corner
3. Select "Settings"
4. Select "Agent Safety"
5. Enable feature and accept release agreement
6. Select your emergency contacts
